

Return to Work Sourcing Checklist

It's time to prepare for businesses to reopen and to take on "the new normal". With the help of our Supplier Partners, we've gathered a list of suggested items to source for a successful return to the office.

Please refer to your organization's operational requirements first to determine the best products for your return to work.

- | | |
|---|--|
| <input type="checkbox"/> KN95 | <input type="checkbox"/> COVID-19 Test Kits |
| <input type="checkbox"/> Masks | <input type="checkbox"/> Virtual Receptionist |
| <input type="checkbox"/> Gowns | <input type="checkbox"/> UV Lamps |
| <input type="checkbox"/> Medical Gloves | <input type="checkbox"/> Automatic Door Installation |
| <input type="checkbox"/> Hand Sanitizer | <input type="checkbox"/> Clorox 360 Decontamination Sprayers |
| <input type="checkbox"/> Clorox Wipes | <input type="checkbox"/> Employee Temperature Verification Systems |
